

We Are Not Alone in the Universe!

WE ARE NOT ALONE IN THE UNIVERSE!

The 32nd Interplanetary Conclave of Light
October 10–11, 2015

Make plans to attend this one-of-a-kind event! NASA's recent confirmation of 12 planets that are similar to Earth is wonderful news. This is the beginning of the physical proof that we are not alone in the universe. Join us for a light-filled weekend. Learn more about intelligent beings who live on other worlds in our galaxy and how the future of planet Earth will be positive and progressive.

LOVE IN ACTION

This event has recharged and expanded my consciousness; I feel so connected to the universe and to the higher spiritual brothers.
